All other group members (that is, those not listed in the previous two boxes): Parth Patel

Name of chairperson for this meeting: Dhaval Patel

Name of secretary for this meeting: Karan Bhatt

Are the minutes of the previous meeting agreed as a correct record (after correction of matters of fact)? yes

List any corrections of matters of fact here:

Review all actions agreed at previous meeting and record how far individual responsibilities have been fulfilled.: Reporting of work to team leader

Where individual responsibilities have not yet been fulfilled within the agreed timescale, list (for each responsibility) the reasons given: SimpleT5 Learn and use to train Dataset of arxiv.org, Flask learn, CSS design for Webapp, Webpage Design.
As It was totally new for everyone so everyone needed some time to research on given tasks.

New matters discussed: Talked to everyone if someone is facing any issues in their work but everyone was good with their work, they just needed some time. Reporting of work to team leader.

Issues/problems to be reported to project supervisor: Couldn't update Jira as parth patel was not responding.

List all actions requiring attention (i.e., those uncompleted actions from the previous meeting and all actions agreed at the present meeting), the agreed timescale for completion of each one and who is responsible for each one (including setting an agenda for the next meeting and writing the minutes of the present meeting). *Uncompleted actions from the previous meeting should be the first on this list:*

Dhaval Patel & Karan Bhatt – Check Train model with present.py

Ashish Gajera & Vatsal Trivedi – Flask inter-communication with python and make app.py

Vipul Barot, Niaz & Dhaval Patel – Find Tokenizer Server for Web application platform to launch

Muhammad Umair Niaz & Ashish Gajera – Web page connection establish with flask

All - Reporting of work to team leader
